APPLICATION FOR EXAMINATION OR EMPLOYMENT

- Applications are only accepted by the Franklin County Personnel Office during the announced timeframe of a job opening or examination announcement unless indicated otherwise. Applications are not held for future openings.
- > The application available on the County's personnel website page is a fillable form which must be printed and contain an original signature.
- If you are planning to apply for multiple exams or positions, complete the application without completing the position or examination title/number, signature and date sections. Save or photocopy the document, providing you with a template of your application for future use. Complete the Title, Exam # (if applicable), sign and date for each vacancy or examination for which you are applying.
- Section 3 Education: Include copies of licenses and/or transcripts if the minimum qualifications or special requirements indicate a license, specific college degree or number of credit hours, i.e., Attorneys must provide a copy of admittance to NYS Bar. Unofficial transcripts are permitted.
- Section 4 Employment Experience: Read the instructions carefully.
 - Include experience that is pertinent to the examination or position to which you are applying.
 - Job Duties and Month, Day and Year of employment dates must be specific in order to determine if the minimum qualifications are met.
 - **Resumes cannot be accepted in lieu** of a complete application. It may be attached as a supplemental piece but the details must be on the application, which you sign and attest to.
 - Unless the job description indicates that volunteer or part-time experience is accepted, work experience must be paid, full-time in order to be considered in meeting the minimum qualifications. Internships for college credit do not apply.
 - In order for work experience to count toward meeting the qualifications, the duties listed must be the main focus of the job. For example, an auto mechanic's main focus is mechanic work; the occasional printing of an invoice does not qualify as office experience.
- Section 5 Residency: Unless the position or examination announcement indicates that "Residency is waived", applicants must have been a resident of Franklin County for at least 30 days prior to application, examination or appointment, dependent upon the specific scenario. Some jurisdictions further limit the residency of applicants to their specific district. If announcement states a driver's license is required, include a copy of your driver's license with the application.
- Section 6 Original signature on each application is necessary as it attests to the contents of the application and provides consent to share the application and submitted documents with appointing authorities.
- ➤ If mailing the application, the postmark date must be on or before the last date to file when one is provided. If hand-delivering, faxing or emailing, the application must be in the Personnel Office on or before the last date to file. The original application must be submitted timely. Any exam fees must be received on or before the last date to file. Office hours are 8:00 a.m. 4:00 p.m., Monday-Friday, except holidays.
- When applying for a position with a jurisdiction other than the County agencies (township, village, school, etc.), submit the application directly to that jurisdiction who will forward their selected applications to the Personnel Office.
